Dear Sir

### Novaco Broadcast Service

I am pleased to advise you that the Isle of Man Ship Registry considers the Novaco Broadcast Service acceptable for Isle of Man registered ships in meeting the carriage requirements of Admiralty Notices to Mariners under SOLAS Chapter V Regulation 19.2.1.4.

This approval is conditional that all Notices to Mariners, Tracings and other miscellaneous information published by the UK Hydrographic Office are distributed via satellite broadcast or CD in their entirety with their content completely unaltered from that originally published by the UK Hydrographic Office.

Yours sincerely,

Andrew Jack  
Principal Marine Surveyor  
Isle of Man Ship Registry
